

A collection of various flowers and stems scattered around the text. There are several large, vibrant orange-red flowers, some with yellow centers. There are also smaller, delicate white flowers with yellow centers, and some small blue flowers. The stems are thin and green, some with small leaves. The background is a light, neutral color.

Cita Lieta profile

Our company ***Cita Lieta Ltd.***, was established in 2005 with the main focus put on handmade natural soap and bath ball manufacturing. Along with time, we have expanded our field of expertise in direction of producing also cosmetic products for skin and body care.

Cita Lieta has set its roots in Riga – a cosmopolitan city in the heart of Latvia. Being a part of the Baltic region, we are also a member state of the European Union.

Cita Lieta core focus is put on individual and personal approach to each client. Our clients' needs have always been the priority. We can help you to bring your ideas of private labelling into light and present Your brand to the world. Whether it is a development of new product recipes, a search for packaging wide possibilities, a creation of individual label design, just name it and our team of qualified chemists and experienced and devoted sales managers will help you to rise from vision to an actual mission.

Pien

Gathering together classical traditions, contemporary knowledge and above all being inspired by the power of nature and the whitest milk, **Pien- Dairy SPA** created natural and unique body care product line.

What's so special

Pien- Dairy SPA products contain at least 70 – 95 % refined milk whey concentrate. To create a body wash and care products, a very delicate technology is used, which helps to retain the beneficial qualities of whey. It has the same pH level as human skin, thus it stabilises the balance of acid and alkali. It does not make skin feel dry, therefore it is especially suitable for dry skin and it thoroughly cleanses skin making it incredibly soft and gentle.

Essential ingredients

Provitamin B5
Aloe Vera extract
Chamomile flower extract
Quark whey concentrate

Calendula flower extract
Shikakai fruit extract and
other natural plant extracts
