Cita Lieta profile

Our company **Cita Lieta** Ltd., was established in 2005 with the main focus put on **handmade** natural **soap** and **bath ball** manufacturing. Along with time, we have expanded our field of expertise in direction of producing also cosmetic products for skin and body care.

Cita Lieta has set its roots in Riga – a cosmopolitan city in the heart of **Latvia**. Being a part of the Baltic region, we are also a member state of the European Union.

Cita Lieta core focus is put on individual and personal approach to each client. Our clients' needs have always been the priority. We can help you to bring your ideas of private labelling into light and present Your **brand** to the world. Whether it is a development of new product' recipes, a search for packaging wide possibilities, a creation of individual label design, just name it and our team of qualified chemists and experienced and devoted sales managers will help you to rise from **vision** to an actual **mission**.

Bath bombs

Handmade natural bath bombs contain Avocado oil, Sea salt and Essential oils. Bath bomb provides a mild, moisturising effect on the skin and leaves the skin magically perfumed. Each time taking a bath you will be filled with vital energy. Recommended for all skin types, especially for dry skin care.

Essential ingredients

Avocado oil

Contains lecithin, the fatty acids necessary for the skin and vitamins A, C, E and D. The oil deeply penetrates into the skin and nourishes it.

Bounties of nature

Dried flowers and fruits will put a gentle touch to your skin care and will create a magical atmosphere in your bathroom.

Essential oils

Aromatic essences made from plants, flowers, roots, stems, fruits and seeds. Oil blends will harmonize the mind, body and soul.

Sea salt

Enriched with micro and macro elements. Bath sea salt improves microcirculation and strengthens body's self-protection. Bath salt nourishes and calms the skin.
