Cita Lieta profile

Our company **Cita Lieta** Ltd., was established in 2005 with the main focus put on **handmade** natural **soap** and **bath ball** manufacturing. Along with time, we have expanded our field of expertise in direction of also producing cosmetic products for skin and body care.

Cita Lieta has set its roots in Riga – a cosmopolitan city in the heart of **Latvia**. Being a part of the Baltic region, we are also a member state of the European Union.

Cita Lieta core focus is put on individual and personal approach to each client. Our clients' needs have always been the priority. We can help you to bring your ideas of private labelling into light and present Your **brand** to the world. Whether it is a development of new product' recipes, a search for packaging wide possibilities, a creation of individual label design, just name it and our team of qualified chemists and experienced and devoted sales managers will help you to rise from **vision** to an actual **mission**.

Block soaps

100% handmade soaps where each slice has its own unique colour palette, aroma and design. Glycerin soaps soften and tone up the skin by leaving it pleasantly moisturized. The composition includes antioxidants, which maintain permanent soap quality; soaps retain attractive appearance throughout the time of usage. Crafted from high quality natural ingredients, soaps are enriched with romantic flower petals, aromatic ground coffee beans, plant seeds and other natural materials. Just describe your desired outlook of soap slice and we will bring your vision to reality.
