# SunLine

FOR YOUR BRAND

## Sun Protection

## After Sun

## Tanning

Bask in the brilliance of beauty with our Sun Line - a comprehensive collection of protection, tanning, and after-sun products designed to elevate your sun-soaked moments.

Shield yourself with our advanced sunscreens, bask in the sun-kissed radiance with our tanning formulations, and nourish your skin post-sun exposure with our soothing after-sun care.

Shine on, embrace the warmth, and unveil your inner radiance with the Sun Line!

# Sun Protection

## Body Oil SPF 6

200ml

Sun Protection body oil SPF 6 for intense tanning. Protects skin from harmful UVA and UVB rays. Nourishes, moisturises and protects the skin from photoageing thanks to natural almond oil. The natural emollient component included in the composition helps distribute the product in a thin layer and makes the skin soft.

**INGREDIENTS:** Caprylic/Capric Triglyceride, Prunus Amygdalus Dulcis Oil, Ethylhexyl Methoxycinnamate, Diethylamino Hydroxybenzoyl Hexyl Benzoate, Parfum, Coumarin.

## Body Oil SPF 15

200ml

Body oil with medium protection. Combines multiple filters to protect against harmful UVA and UVB rays. Natural almond oil nourishes and protects the skin from moisture loss. The natural emollient component included in the composition helps distribute the product in a thin layer and makes the skin soft and silky.

**INGREDIENTS:** Caprylic/Capric Triglyceride, Prunus Amygdalus Dulcis Oil, Ethylhexyl Methoxycinnamate, Diethylamino Hydroxybenzoyl Hexyl Benzoate, Parfum, Coumarin.

## Body Oil SPF 30

200ml

Body oil with high UVA and UVB protection will reliably protect your skin while tanning. Natural oils nourish and protect the skin from moisture loss. Natural emollients evenly distribute protective filters for reliable sun protection. The oil is suitable for those with fair skin types or during the first days in the sun.

**INGREDIENTS:** Caprylic/Capric Triglyceride, Prunus Amygdalus Dulcis Oil, Ethylhexyl Methoxycinnamate, Diethylamino Hydroxybenzoyl Hexyl Benzoate, Parfum, Coumarin.

# Sun Protection

## Solid Sunscreen Cream SPF 30 60g

A solid sunscreen blocks the sun and keeps skin fresh and cool. This mineral sunscreen contains a natural UV filter based on zinc oxide and is enriched with peppermint essential oil. It has a pleasant natural aroma and it also cools and softens the skin. Thanks to the waxes included in the composition, it does not wash off and protects the skin even in water.

**INGREDIENTS:** Cetearyl Alcohol, Caprylic/Capric Triglyceride, Myristyl Myristate, Zinc Oxide, Euphorbia Cerifera Cera, Olea Europaea Fruit Oil, Lavandula Angustifolia Extract, Mentha Arvensis Oil, Tocopheryl Acetate, Limonene.

## Sun Protection Lotion SPF 15 200ml

Face and body lotion SPF 15 combines several filters and provides protection against UVA and UVB rays. A product with a low content of sunscreen components that reduces the harmful effects of sunlight, protects against free radicals and provides an even, beautiful and safe tan. Avocado oil, aloe vera and panthenol nourish and moisturise. Delicate texture makes the skin soft and elastic.

**INGREDIENTS:** Aqua, Ethylhexyl Methoxycinnamate, Caprylic/Capric Triglyceride, Diethylamino Hydroxybenzoyl Hexyl Benzoate, Glycerin, Polyglyceryl-3 Methylglucose Distearate, Parfum, Persea Gratissima Oil, Aloe Barbadensis Extract, Panthenol, Glyceryl Stearate, Sodium Polyacrylate, Stearyl Alcohol, Lecithin, Ascorbyl Palmitate, Helianthus Annuus Seed Oil, Tocopherol, Phenoxyethanol, Ethylhexylglycerin, Potassium Sorbate, Sodium Benzoate, Coumarin.

## Sun Protection Lotion SPF 30 200ml

Lotion SPF 30 with a high degree of protection for the face and body. Combines several filters and provides protection against UVA and UVB rays. Reliably protects the skin from photoageing. Avocado oil, aloe vera and panthenol nourish and moisturise. The delicate texture is evenly distributed and makes the skin soft and elastic.

**INGREDIENTS:** Aqua, Ethylhexyl Methoxycinnamate, Diethylamino Hydroxybenzoyl Hexyl Benzoate, Caprylic/Capric Triglyceride, Glycerin, Polyglyceryl-3 Methylglucose Distearate, Persea Gratissima Oil, Aloe Barbadensis Extract, Panthenol, Glyceryl Stearate, Stearyl Alcohol, Sodium Polyacrylate, Lecithin, Ascorbyl Palmitate, Helianthus Annuus Seed Oil, Tocopherol, Phenoxyethanol, Ethylhexylglycerin, Potassium Sorbate, Sodium Benzoate, Coumarin.

# After Sun

## After Sun Cooling Gel

200ml

An effective gel for cooling and moisturising the skin after sunbathing and prolonged exposure to direct sunlight. Aloe and panthenol soothe and heal irritated skin, while argan oil deeply moisturises and softens it. The pleasant feeling of coolness on the skin is preserved for a long time after use.

**INGREDIENTS:** Aqua, Glycerin, Isopropyl Alcohol, Alcohol, PPG-1-PEG-9 Lauryl Glycol Ether, Aloe Barbadensis Extract, Panthenol, Glyceryl Polyacrylate, Menthol, Phenoxyethanol, Ethylhexylglycerin, Potassium Sorbate, Sodium Benzoate.

## After Sun Spray

200ml

Light texture soothing body spray deeply moisturises and softens the skin irritated by the sun. The complex of aloe and panthenol will promote the regeneration of the skin cells and strengthen its protective functions. The spray absorbs quickly without leaving a greasy feeling.

**INGREDIENTS:** Aqua, Polysorbate 20, Argan Oil Glycereth-8 Esters, Parfum, Aloe Barbadensis Leaf Extract, Panthenol, Phenoxyethanol, Ethylhexylglycerin, Sodium Benzoate, Potassium Sorbate, Coumarin.

## After Sun Lotion

200ml

Rich texture soothing lotion calms and relieves the skin that has been overexposed to the sun. The complex of aloe, panthenol and shea butter boosts skin cell regeneration while almond and coconut oil nourish the skin, rejuvenate skin cells, restore elasticity and delay the general signs of ageing.

**INGREDIENTS:** Aqua, Caprylic/Capric Triglyceride, Polyglyceryl-3 Methylglucose Distearate, Prunus Amygdalus Dulcis Oil, Cocos Nucifera Oil, Butyrospermum Parkii Butter, Parfum, Aloe Barbadensis Extract, Glyceryl Stearate, Sodium Polyacrylate, Stearyl Alcohol, Glycerin, Panthenol, Polysorbate 20, Phenoxyethanol, Ethylhexylglycerin, Sodium Benzoate, Potassium Sorbate, Coumarin.

# Tanning

## Tanning Foam Dark

150ml

Leave-in mousse for natural tanning without the sun. The light foam spreads perfectly and is instantly and completely absorbed by the skin. Rich in active moisturising ingredients: polysaccharides, glycerine and aloe vera. Weightless care and a beautiful dark tan within 4 hours.

**INGREDIENTS:** Aqua, Dihydroxyacetone, Polysorbate 20, Glycerin, Aloe Barbadensis Leaf Extract, Parfum, Xanthan Gum, Phenoxyethanol, Ethylhexylglycerin, Potassium Sorbate, Sodium Benzoate, Coumarin.

## Tanning Foam Medium

150ml

Leave-in mousse for natural tanning without the sun. The light foam spreads perfectly and is instantly and completely absorbed by the skin. Rich in active moisturising ingredients: polysaccharides, glycerine and aloe vera. Weightless care and a beautiful medium tan within 4 hours.

**INGREDIENTS:** Aqua, Dihydroxyacetone, Polysorbate 20, Glycerin, Parfum, Aloe Barbadensis Leaf Extract, Xanthan Gum, Phenoxyethanol, Ethylhexylglycerin, Potassium Sorbate, Sodium Benzoate, Coumarin.

## Tanning Lotion Medium

200ml

A lotion for a perfect tan without the sun. The ideal light texture is evenly distributed and easily absorbed. Olive squalane, panthenol and allantoin nourish and moisturise the skin for a long time. A beautiful medium tan appears gradually within 4 hours after application.

**INGREDIENTS:** Aqua, Propylene Glycol, Dihydroxyacetone, Glycerin, Cetearyl Olivat (and) Sorbitan Olivat, Caprylic/Capric Triglyceride, Squalane, Dimethicone, Parfum, Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Glyceryl Stearate, Butyrospermum Parkii Butter, Tocopheryl Acetate, Panthenol, Xanthan Gum, Allantoin, Disodium EDTA, Phenoxyethanol, Ethylhexylglycerin, Coumarin.
