Shimmering Product Line

for Your Brand

Let your skin shine!

Every woman as a little girl and grown-up has ever dreamed of dressing herself in sparkly glitter, because don't movie stars shine?

Beautiful skin starts here - with natural body care products that give your skin a sun-kissed golden glow. They moisturize and nourish the skin, leaving it firm, silky soft and ensuring a long-lasting shimmering effect, perfect for nights out.

Body Oil

Shimmering oil with small shimmering particles and a blend of 6 skin-loving oils that nourish, soften, and illuminate the skin. The oil is fast absorbing and non-greasy, deeply hydrates and highlights the tan. Shimmer particles give a beautiful glow and ensure the lasting shimmering effect.
